Reviews

Totally one of the better pdf I actually have at any time go through. It is loaded with knowledge and wisdom You can expect to like just how the author write this book.
(Mr. Grover Kuphal PhD)

BODY HOLIDAY: 1 (PAPERBACK)**DOWNLOAD**

GB Publishing.org, United Kingdom, 2014. Paperback. Condition: New. Language: English. Brand new Book. Sci-Fi and sex on a trip to die for. __"IT'S DAMN NEAR IMPOSSIBLE TO PUT DOWN__ When Milla Carter is taken on holiday by her boyfriend Franklyn, their 'dream break' turns into the kind of nightmare that makes the Titanic's last voyage look like a collision between a toy boat and an ice cube. Maybe they were too easily taken in by the glossy brochure and oily sales patter, but their trip to die for looks in danger of becoming just that. Their ill-fated vacation is the focal point of Body Holiday, the debut science-fiction novel of Wallington's Derek E Pearson. This imaginative, sexually explicit book has more swear words in it than a Gordon Ramsay show, yet its edgy, 'in your face' writing and tightly structured plot are so addictive that it's damn near impossible to put down. It grips from the first to the last page as Pearson skillfully draws the reader into a future that's dysfunctional, cold and frighteningly voyeuristic. This is a world that has no respect for privacy, where corporate power wields a big, ugly fist and which is so saturated with hard core pornography that it's lost the power to even be offended. A refusal to condone murder is one of its few saving graces! No wonder Milla and Franklyn need a break, although they're not the ones looking to re-charge their batteries. Ex-glamour model Ruth (who is 62 but looks 30) and her rich 86-year-old husband Pearce (who's just as ageless) also want some time out. Swapping bodies and lifestyles with Milla and Franklyn through a process called 'Transition' should be a breeze; after all, there's no better way of getting reacquainted with a partner than through the body of a younger stranger....
