

Narrative of the Life of Frederick Douglass (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

NARRATIVE OF THE LIFE OF FREDERICK DOUGLASS (PAPERBACK)

Skyhorse Publishing, United States, 2018. Paperback. Condition: New. Reprint. Language: English. Brand new Book. Packaged in handsome and affordable trade editions, Clydesdale Classics is a new series of essential literary works. From the musings of literary geniuses like Mark Twain in *The Adventures of Huckleberry Finn* to the striking personal narrative of Harriet Jacobs in *Incidents in the Life of a Slave Girl*, this new series is a comprehensive collection of our literary history through the words of the exceptional few. The *Narrative of the Life of Frederick Douglass* is perhaps the most widely read and well-known slave narrative. Originally published in 1845, the work was an instant success, selling more than 11,000 copies in the first three years. Written as a memoir of his life and experiences, the book addresses the issues of slavery from a firsthand perspective with a sage eloquence. The narrative draws from various points of Douglass's life in stark detail: the cruelty he experienced as a slave, his escape to freedom, and how he became a famous orator and abolitionist. Initially, early skeptics had a hard time accepting that such a profound text was written by an uneducated African American slave. However, this theory was quickly disproven when he spoke in public, famously giving extraordinarily articulate speeches. The *Narrative of the Life of Frederick Douglass* is no exception to Douglass's vigor, poise, and wit he exemplified in his oration. Here is a story of a man who faced extreme hardship and adversity and rose above it to write one of the most important and influential books in history.
